# MAKE AN IMPRESSION WITH YOUR INSCRIPTION

## YOUR PERSONAL CONNECTION: NOW WITH A CUSTOMISED INSCRIPTION!

Your premium partner for custom solutions has added a personal touch to your connections: all elmat cables from a diameter of 7.5 mm can now be printed with a concise inscription. Whether a company logo, slogan or advertising message, text or numbers – a distinctive inscription opens up innumerable possibilities for using your cables as advertising media. Ask us for no obligation information about the full range of options and conditions. All it takes is a phone call – and your dream text will become a reality.
